

to find a corpse that looked exactly like my cross-dressed self

to give my farewell to the life with no ups. I went to the sea of trees

Fukushima Mitsuru 23-year-old is the always bullied child

for some reason I was at one of the worst schools as a newbie teacher

so I had them give me another chance in life, but when I opened my eyes the next day

it'll be
decided
I can't
back out
!!

ahh if
I open
this door
and go
inside

just 1cm
and it
would've
been a
hit!

almost!

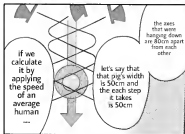

ohh

what
about
you,
Tateno?

hey Mura,
do you
think
that was
a coinci-
dence?

if we
calculate
it by
applying
the speed
of an
average
human
...

let's say that
that pig's width
is 50cm and
the each step
it takes
is 50cm

the axes
that were
hanging down
are 80cm apart
from each
other

she's
budo
10-dan,
right?

then isn't
it possible
for her to
dodge
by the hair's
breadth?

they are kinda weird, not really

I told you
my ears
are good

how
did the
rumors
get so
exagger-
ated ??

geh
she's
not
human

oh, even
a machine
gun can
go
through

apparently
all that
fatty and
elephant
legs are of
made of
muscles

I heard
she knocked
out yakuza
vice-
principle
with a
rolling
object

they said
she's the
disciple of
Rocky
Garcia
and combine
them, it's
100 plus

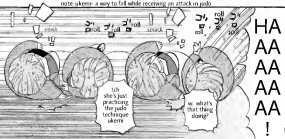

I'll be made
into their
brunch
and eaten
down to my
bones

If I get left alone
in this tiger's cage...

I mean
class tiger,

note yknee a way to fall while receiving an attack in judo

it's here!!
kumamon's
grizzly stand!

you
wanna
fight?

NO
OO
OO
OO
OO
!!

hyaaaal
it's a
misunder-
standing!

that was
something
my son did,
so there
shouldn't
be any
responsibilities
for the
parent...

and the
beast!?

haaaa!
h..heterogeneous
showdown
between

eventhough
seeing my embarrassing
picture must've
made you
feel bad since
you're a lady

huh
?

I wasn't
angry,
it was
more like
a swelling
...

ahh
n.. no,
that was...
hahaha
very ho

...

ah yes...
that's quite
right
hahaha
very ho

I really want
sensei
to stay and
not run
away for
as long
as possible

I think
that class
would be
problematic
in many
ways but
you can ask
me anything

shine

I have
no idea
why that pig
that I trashed
in the
Sea of Trees
is still alive
but

I'll
definitely
kill her
next time
before
it's
too late

.....

it seems like
she doesn't
know much
about it either
and have forgotten
about what I did,
good for me

I'll
peel
it
off

her
dis-
guise

hey, what
do you
think
about
the new
homeroom
teacher?

she's
hiding
something

eh?

ah
let's
see

hey hey
Ryu-kun
what do
you want
to eat?

roasted
pig
would
be nice
